

Teacher Training in Uganda

Biblical worldview training is essential for teachers. Classrooms for Africa has been working to provide teacher training in the Rwenzori region of Uganda. In the last year, over 40 teachers and administrators attended the sessions with close to 100% of attendees completing all of the sessions. Our goal, in partnership with ACSI Western Canada, is to train 200 teachers. Better trained teachers result in better opportunities for at risk students.

The cost to
train one
teacher is \$100

According to UNESCO,

“of all regions, sub-Saharan Africa has the highest rates of education exclusion. Over one-fifth of children between the ages of about 6 and 11 are out of school, followed by one-third of youth between the ages of about 12 and 14. According to UIS data, almost 60% of youth between the ages of about 15 and 17 are not in school.”

Our goal is
\$20,000 to train
200 teachers
